

Threat and Error Management

- Duration:** 2 Days (Classroom)
- Target Group:** All individuals involved in aviation
- Language:** English. Student must have the ability to read, write and communicate at a functional level in the English language.
- Course Location:** FlightPath International Training Centre in Toronto, Canada or a customer site.
- Description:** The TEM training program presents the TEM Model and its benefits, focusing on Threat Recognition and Strategies to Manage Errors in an interactive and dynamic Operational environment.
- TEM training does not replace CRM training; TEM enhances the fundamentals of CRM
- General:** There is no exam at end of course, participant interaction is critical in gaining the skills shared by the facilitator. This ensures optimum learning, awareness and achieving knowledge and application of TEM skills.
- FPI Certificate will be issued upon successful completion of the course
